

M-seal Regular Epoxy Putty Benefits:

- Multipurpose Sealant – Seals, Joins, Fixes, Builds.
- Fills gaps, cracks, and plugs leaks in pipes and joints.
- Can be shaped, drilled, filed, Mouldable fills, sanded, painted upon.
- Sets in 90 minutes at 27°C.

40 g, 60 g, 75 g, 90 g, 250 g, 1 kg, 4 kg

M-seal Sanitary Benefits:

- Superior white finishing.
- Quality sealing with a strong, long-lasting bond.
- Used for sealing gaps in bathrooms and kitchens.
- Acid resistant and resistant to Fungus.

50 g, 200 g

M-seal Phataphat Benefits:

- Multi-purpose sealant – Seals, Joins, Fixes, Builds.
- Sets in 30 minutes at 27°C.
- DIY usage - Versatile & easy to apply.
- Can be Shaped, Drilled, Filed, Sanded, and Painted upon.

10 g, 25 g, 60 g, 90 g, 1 kg

M-seal Pipe Repair Putty Benefits:

- Multi-purpose sealant – Seals, Joins, Fixes, Builds.
- Sets under wet and dry condition.
- Seals leakages across GI and PVC range of pipes.

25 g

M-seal PTFE Tape Benefits:

- It ensures & maintains leak proof joint.
- Excellent temperature, pressure and chemical resistance.
- Higher thickness ensures low consumption and cost saving.
- Ideal for hot and cold water, heated gases, and high-pressure equipment.

12 mm x 4 mt, 12 mm x 8 mt, 12 mm x 12 mt

CPVC Solvent Cement Benefits:

- Quick, long-lasting bond.
- Better gap filling & prevents leakage.
- Suitable for hot and cold water CPVC pipe joints.
- Low wastage and joints can withstand pressure upto 28 bar.
- Conforms to ASTM F493 and IS 4985: 2000 standards.

20 ml, 50 ml, 100 ml, 250 ml, 500 ml

UPVC Solvent Cement Benefits:

- Quick, long-lasting bond.
- Comes in Clear and Blue variant.
- Ensures a strong bond.
- Better gap filling and Prevents leakage.
- Low wastage and joints can withstand pressure upto 28 bar.
- Conforms to ASTM D2564.

7ml, 20 ml, 50 ml, 100 ml, 250 ml, 500 ml

PVC Regular Bodied Benefits:

- Suitable for all grades of PVC pipes and fittings upto 4".
- Quick, long-lasting bond.
- Uniform consistency that offers higher coverage.
- Prevents dismantling caused by pipe load.

20 ml, 50 ml, 100 ml, 250 ml, 500 ml, 1 ltr, 5 ltr

PVC Heavy Bodied Benefits:

- Suitable for all grades of PVC pipes and fittings upto 12".
- Creates a strong seal and possesses high viscosity.
- High viscous and uniform consistency.
- Quick and long lasting bond.

15 ml, 50 ml, 100 ml, 250 ml, 500 ml, 1 ltr

M-seal Plumber Benefits:

- Suitable for joining threaded GI and CI pipes.
- No odour and sets in 10 minutes.
- Sets flexibly, pipe joints can be opened again if required.

20 g, 40 g, 100 g, 200 g, 500 g

Motomax Insta shine

Benefits:

- Gives instant shine , Easy to use.
- SRejuvenates the dull plastic and painted surfaces.
- Makes your vehicle look well maintained.

1 Unit

Dashboard Polish and Dashboard & Vinyl Polish

Benefits:

- Guards against fading and cracking.
- Restores new look instantly.
- Contains silicone and no harmful formulas.

Dashboard Polish 50 ml, 100 ml
Dashboard & Vinyl Polish 10 ml

Motomax Protectant Spray

Benefits:

- It penetrates to shine and restores faded surface.
- Leaves a matty finish with no oily residue.
- Highly efficient extracts with long lasting effect.
- Protect surfaces from fading and cracking by reducing the UV light.

100 ml, 200 ml

Motomax Shiner

Benefits:

- An all purpose shiner.
- Multi surface spray polish (plastic, metal, tyre, painted and rubber parts.
- Gives better finish on all surfaces.

100 ml

Motomax Bike Liquid Polish

Benefits:

- Instant shine with less effort.
- Ideal to remove minor oxidised layer and scratches.
- Special formulation contains no harmful solvents.

20 ml, 50 ml, 100 ml

Motomax Cream Polish

Benefits:

- Carnauba Wax based paste polish.
- High Gloss Finish.
- Easy to apply and multipurpose application.
- Ideal for painted / non painted surface.

60 g, 230 g

Motomax Chain Lube

Benefits:

- Transparent, high-pressure resistant, highly adhesive lubricant
- Used in lubrication and corrosion, protection of chains and sprocket

100 ml & 200 ml

M-seal clear RTV

Benefits:

- Ideal for all types of light and heavy duty automotive.
- Withstands temperature from -40°C to +220°C.
- Makes gasket instantly and cures in 24 hours.
- High pressure resistant and oil resistant.

4 g, 15 g, 25 g, 85 g

M-seal Grey RTV

Benefits:

- Ideal for all types of light and heavy duty automotive.
- Withstands temperatures from -73°C to +343°C.
- Makes gasket instantly and cures in 24 hours.
- Neutral form - No Odour.

25 g, 85 g

M-seal Red RTV

Benefits:

- Ideal for all types of light and heavy duty automotive.
- Withstands temperatures from -73°C to +343°C.
- Makes gasket instantly and cures in 24 hours.
- No Odour and Non corrosive.

15 g, 25 g, 85 g

Fevikwik

Benefits:

- Single Component Cynoacrylate Adhesive.
- Fast setting.
- Clog Resistant Nozzle.
- Bond withstands temp. from -40°C to +80°C.

450 mg, 1 g, 2 g, 3 g.

Fevikwik Gel

Benefits:

- Non drip thicker formula.
- Controlled Application.
- Makes repair easy.

1 g, 3 g, 20 g

Fevikwik 203

Benefits:

- Reliable & Fast Bonding.
- Single Component Cynoacrylate Adhesive.
- Excellent bond for variety of surface.
- Longer Shelf Life.
- Ideal for all types of Industries.

20 g, 50 g

Flexkwik

Benefits:

- Specially made for flex and PVC door bonding.
- Fast-drying formulation, an instant solution.
- Reliable and Fast Bonding.
- Transparent adhesive that does not leave trace.

15 g, 20 g, 50 g

Fevikwik Weld

Benefits:

- Quick Mending Solutions.
- Fills gaps, Repairs, Builds Rapidly.
- Economical and Easy to use.
- Ideal for Plastic Gap- Fiber Gap Filling, Broken Bumper Of etc.

15 g filler + 2 g fevikwik

Steelgrip + Tape

Benefits:

- Firm grip, high insulation resistance.
- Weather proof, non ageing.
- Self-extinguishing.
- Electrical insulation tape.
- Stretchable.

2.5 mts, 6.5 mts

Fevibond

Benefits:

- Synthetic Rubber Based Adhesive.
- Superior formulation.
- Does not contain harmful Benzene.

8 ml, 25 ml, 50 ml, 90 ml

Fevitite Rapid and Clear

Benefits:

- All purpose epoxy adhesive, sets in 5 mins.
- No shrinkage after curing for dimensional stability.
- Fast Setting Epoxy Adhesive.
- Ideal for Metal, Ceramic, Wood, Concrete, Fiberglass, Marble, Glass etc.

7 g, 13 g, 36 g, 90 g, 180 g

Fevitite Super Strong

Benefits:

- Sets in 4 hours.
- Excellent strength and toughness.
- No shrinkage after curing for dimensional stability.
- Resistant to water, heat, stress and most chemicals.
- Ideal for bonding metal, ceramic, marble, granite, etc.

3 g, 13 g, 36 g, 90 g, 450 g, 1.8 kg

D-Klog

Benefits:

- Clear clogged Drain, Kitchen Sink, Washbasin pipes etc. Kills germs.
- It removes grease traps, clogs, hair without affecting pipes.

40 g

Araldite Standard Benefits:

- Sets in 6-8 hrs, World's Strongest Adhesive
- Multiple Substrate application- Granite, Marble, Glass, Metal, Wood, Ceramic, Rubber, Dry Concrete etc.

5g, 9g, 13g, 36g, 90g, 180g, 270g, 450g, 700g, 1.06kg, 1.8kg, 3.6kg & 5.4kg

Araldite Klear 5 Benefits:

- Sets in 5 minutes, Clear and Transparent
- Multiple Substrate application- Granite, Marble, Glass, Metal, Wood etc.

5 g, 10 g, 26 g, 90 g, 180 g, 270 g & 1.08 kg

Araldite Klear 120 Benefits:

- Crystal clear, Sets in 2 Hours
- Resistant to Water, Chemical, Heat, Stress
- Ideal for Large Substrates

1.8 kg

Araldite SandX Benefits:

- All rounder Abrasive Premium Hand Sanding Roll used for multi-material sanding application.
- Non stretching and low heat transfer.
- Anti-static coating for anti clogging.

Case Size: 2 Rolls per Case (50 m length of each roll)
Available in Grit Size: 60, 80, 120, 180, 220, 320

FEVISEAL Weatherproof Pro Benefits:

- ISO certified and made for professionals
- Flexible and durable
- Strong bond with multiple substrates
- Solvents free hence safe to use.
- Comes in White, Clear and Black Variant

280 ml

FEVISEAL GP PRO Benefits:

- Premium Acetoxo
- Low VOC
- Can be used for Gap Filling and Bonding
- Anti-Fungal
- Fast Curing

280 ml

FEVISEAL Neutral Pro Benefits:

- Easy to use and directly applicable through cartridge.
- Solvents free hence safe to use.
- It is completely non-sagging in nature.
- Comes in White, Clear and Black Variant

280 ml

FEVISEAL GP Benefits:

- Economy Acetoxo
- Best in Class Clarity
- Can be used for Gap Filling and Bonding
- Anti-Fungal
- Fast Curing

240 ml, 260 ml, 280 ml

FEVISEAL Multipurpose Benefits:

- Premium Acrylic Sealant
- For interior gap filling applications
- 2-year shelf life
- Multi substrate compatibility
- Paintable

280 ml

M-Seal Ezyseal Benefits:

- Elastomeric Sealant - flexible and long lasting in nature
- Provides excellent adhesion to number of substrates (Plastic, metal, concrete, ceramics)
- Easy to Apply

40 g, 85 g

Zorrik 88

Benefits:

- It protects, cleans, displaces moisture and lubricates.
- Protect against rust and corrosion.
- Helps to reduce Friction and enables easy movements.

32 g, 60 g, 170 g, 311 g

WD 40

Benefits:

- A multiuse water-displacing spray with 2000+ listed application.
- It protects, cleans, displaces moisture and lubricates.
- Protect against rust and corrosion.
- Temperature resistance up to 200°C.

32 g, 63.5 g, 170 g, 420 ml, 5 ft.

Fevicol MR

Benefits:

- Multipurpose, synthetic white adhesive.
- Strong bonding.
- Bonds Craft materials like paper, card board, thermocol, fabric, wood, etc.

8 g, 10 g, 12 g, 22.5 g, 45 g, 100 g, 200 g, 500 g, 1 kg

Fevigum

Benefits:

- Excellent paper to paper bonding Different colours and different fragrance.
- Easy dispensing packs made simple and convenient to use.

Squeezy 22.5 ml, 18 ml tube, assorted jar pack 18 ml (25 pcs), assorted jar pack 22.5 ml (25 pcs), 3 ml mini chain pack

Fevistik

Benefits:

- Ideal for paper to paper bonding.
- Non messy, convenient to use glue stick, leaves no stain.
- Convenient pack sizes to meet different quantity requirements avoiding wastage.

5 g, 8 g, 15 g, 22 g

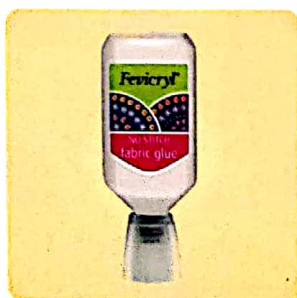

Fevicryl Range Sets

Benefits:

- Acrylic Color Kits with multi-surface usage.
- Non-toxic, long lasting and no binder required.
- Waterproof even on porous substrates.
- Sunflower Kit, Lilac Kit, Pastel Colors, Pearl Colors.

60 ml, 90 ml, 150 ml

No Stitch Fabric Glue

Benefits:

- Replaces stitching in many areas.
- Used for sticking beads, sequins, glitter - dust, laces, patchwork and appliques on fabric. Also used to stop fray - seams & seam edging.
- Retains the original softness of the fabric after sticking the accessories.

20 g, 30 g, 80 g

Rangeela Tempera Colours

Benefits:

- Easy to use and spread on the design.
- Safe to use, safe for children.
- Ideal for decorating greeting cards.

18 shades of 3 ml in BOPP packs, 12 shades of 3 ml in BOPP packs, 8 shades of 3 ml in BOPP packs

Fevicol Glue Drops

Benefits:

- Simple, easy to carry double side adhesive.
- Non-sticky and non-messy instant bond.
- Useful for sticking material in events, parties, car etc.

Pack of 24 drops

Acrylic Colours

Benefits:

- Quick drying, Ready-to-use.
- Wash proof, rich in colour value.

Sunflower Kit 150ml - Shades 10 of 15ml, Lilac Kit 60ml - Shades 6 of 10ml, Pearl Kit 60ml - Shades 6 of 10ml, Pearl Floral kit 40ml - Shades 4 of 10ml, Pearl Metallic Kit 40ml - Shades 4 of 10ml, Individual Shades (Loose) - Acrylic Colours (regular - 15ml, 100ml, 500ml, Pearl Colours - 10ml, 100ml, Pearl Metallic Colours - 10ml, 100ml, Metallic Colour - 10ml

3D F & WS Outliner

- Benefits:**
- Easy-to-use.
 - Dimensional fabric and art colours.
 - Washproof.

250 ml. Available in Regular, Pearl & Pearl Metallic shades.

Fevicol Glass Colours

- Benefits:**
- Brilliant colours to get a stained glass effect.
 - Ready-to-use; does not require medium.
 - Water-based colours.
 - Non-toxic.

75 ml (Water Based), 115 ml (Water Based)

Fevicol Fabric Colours

- Benefits:**
- Retains the natural feel of the fabric.
 - Colorfast after 7 days.
 - Washproof. No need to iron.
 - Fabric does not stiffen/crease.
 - Non-toxic.
 - No binder/medium required.

25 ml, 60 ml, 150 ml

Prime Eazytear Tapes

- Benefits:**
- Easy to tear tapes.
 - Safe for children.
 - No need of scissors/blades.

Pouch - 12 mm x 8 m
Also available as Jar Pack of 65 retail packages of 12 mm x 8 m

Rangeela Moulding Dough

- Benefits:**
- Soft and easy to mould in various shapes.
 - Intermixable to develop a third shade.
 - Non-toxic and safe for children.
 - Moulding tools included.
 - Improves fine motor skills of kids.

6 shades x 25 g, 8 shades x 25 g, 5 shades x 75 g

Rangeela Creative Clay

- Benefits:**
- Never drying, never hardening clay.
 - A fun way to enhance children's imagination, creativity and learning.
 - Every pack has unique concept for learning.
 - Safe, hygienic, flexible and easy to handle.

60 g (Dino Pack), 60 g (Fruit Pack), 100 g (Marine Life), 160 g (Brick Pack), 165 g (I love Animals), 200 g (Story Pack)

Fevicol SH

- Benefits:**
- Easy to use and Apply.
 - Unsurpassed bonding strength.
 - Resistant to water and heat.

50 g, 125 g, 250 g, 500 g, 1 kg, 2 kg, 5 kg, 10 kg, 15 kg, 20 kg, 30 kg, 50 kg
Pouch Pack 1 kg

Fevicol Marine

- Benefits:**
- 7 day continuous waterproof.
 - 7 hours boiling waterproof.
 - Ideal for waterproof plywood.
 - Higher coverage.

500 g, 1 kg, 2 kg, 5 kg, 10 kg, 20 kg, 30 kg, 50 kg
Pouch Pack- 900 g

Fevicol Hi-per

- Benefits:**
- High Grab and Uniform Glue Transfer.
 - Anti-Bubble Formula.
 - Best in class waterproof adhesive.
 - Faster Setting time: 2 hrs.

500 g, 1 kg, 2 kg, 5 kg, 10 kg, 20 kg, 50 kg
Pouch Pack- 900 g

Hi-per Star

- Benefits:**
- Best in class coverage.
 - Superior grab.
 - Smooth application.
 - Low trimming time.

1 kg, 2 kg, 5 kg, 10 kg, 20 kg, 50 kg

Fevicol Probond
Benefits:

- Excellent compatibility with PVC and Acrylic.
- High Strength with long and durable bonding.
- Excellent Spread ability and High Coverage.
- Excellent heat resistance.

500 g, 1 kg, 5 kg.

Ezeespray
Benefits:

- Fast grab, rapid bonding and excellent heat resistance.
- Variable width spray pattern for easy application control.
- No pressure required after application.
- Easy to use and reach the odd spaces.

500 ml

Fevicol SR 998
Benefits:

- Largest selling rubber based adhesive in India.
- Speed in furniture making.
- For vertical lamination and where it is difficult to apply pressure.
- Superior bonding strength.

100 ml, 200 ml, 500 ml, 1 lt, 2 lt, 5 lt, 25 lt

Fevicol Heatx NF
Benefits:

- Bonds in 10 minutes, saves labour.
- Bond remains intact even in exposure to temperature upto 170 °C.
- Best for internal lamination of cabinets.
- Supports strong bonding on curved surfaces.
- Apply in any direction and low initial stirring.

100 ml, 200 ml, 500 ml, 1 lt, 2 lt, 5 lt

Terminator Structure
Benefits:

- Protects buildings and other structures from termite attacks.
- Can be mixed with water.
- Non-toxic, made from eco-friendly material.

250 ml, 500 ml, 1 lt, 5 lt, 10 lt

Terminator Wood Preservative
Benefits:

- Penetrates deep, killing termites and borers instantly.
- Eco-friendly.
- Ready-to-use.
- Clear transparent liquid.
- No license required for storing/trading.

100 ml, 250 ml, 500ml, 1lt, 3 lt, 5 lt, spray pack- 320 ml

Bulbond
Benefits:

- For readymade furniture.
- Suitable to bond ply / MDF / particle boards and to laminate and veneer.

PC- 250 g, 500 g, 1 kg, 5 kg, 20 kg, 50 kg
Pouch- 500 g, 1 kg

Bulbond Xtra
Benefits:

- Suitable for Wood to wood, ply/ MDF/particle boards toLaminate and Veneer.
- Stronger initial Grab.
- Faster handling time.

PC- 1 kg, 5 kg, 10 kg, 20 kg, 50 kg
Pouch- 1 kg

Griplo WG
Benefits:

- Superior bonding makes it better than any other product available in the popular adhesive segment.
- Unique benefit of single side application leading to further reduction in cost and time.

PC- 125 g, 250 g, 500 g, 1kg, 5kg, 20 kg, 50kg
Pouch- 1 kg, 500 g

Masterlok
Benefits:

- Fast tack development.
- Good spreadability and excellent coverage.
- Fast bond strength development compared to other white glue present in this segment.

250 g, 500 g, 1 kg, 10 kg, 20 kg, 50 kg
Pouch Pack- 1 kg

Masterlok Xtra
Benefits:

- Faster grab and Easy spreadability
- Designed for single side application.
- High viscosity
- Faster setting time of 3-4 hours.

1 kg, 5 kg, 10 kg, 20 kg, 50 kg

Fevicol Foamfix
Benefits:

- Benzene free - Non-hazardous to health.
- Soft on foam, keeps foam shape intact.
- Faster bonding.

500 ml, 1 lt, 2 lt, 5 lt, 25 lt

Fevicol SR 505
Benefits:

- Benzene free - Non-hazardous to health.
- No residue left, can be used till last drop.
- Excellent spreadability.
- Economical in the long run.

100 ml, 200 ml, 500 ml, 1 lt, 2 lt, 5 lt, 25 lt

Showcase 1K PU
Benefits:

- Good for interior & exterior surfaces.
- 12% - 15% higher coverage & 30% higher gloss.
- Fast Tack free time of 80 mins.
- Better Heat Scratch, Stain resistance.

200 ml, 500 ml, 1 lt, 4 lt

Wudfin PU 11
Benefits:

- Better gloss than french polish.
- Better heat, scratch, stain resistance.
- Self Levelling feature.
- Available in 5 direct shades.

200 ml, 500 ml, 1 lt, 4 lt

Woodstain
Benefits:

- High strength.
- Natural shades.
- Excellent penetration.
- Available in five shades.

100 ml, 1lt

Unitint
Benefits:

- High tinting strength.
- Faster dispersion.
- Available in 15 shades.
- 3 Unique shades.

50 ml, 100 ml, 200 ml

Piditint Colour Concentrate
Benefits:

- Easy dispersion.
- Economical.
- Available in 8 vibrant shades.
- All colours intermiscible.

50 ml, 100 ml, 200 ml

DDL Distemper Pouch
Benefits:

- Rich acrylic-based distemper.
- Coverage 60 to 70 sq. ft. per kg for 2 coats.
- Available in 11 long-lasting colours and base white.

1 kg

Fevicol DDL
Benefits:

- Binds lime/dry distemper on walls.
- Prevents peeling of lime.
- Prevents cracks.
- Easy to use, no heating required.

125 g, 250 g, 500 g, 1 kg

Steelgrip Paper Tape
Benefits:

- Guaranteed length.
- No transfer of adhesive.
- Paint and polish can't pass through.
- Easy to unroll and tear.
- Consistent quality.

24 mm x 20 m x 6 rolls, 18 mm x 20 m x 8 rolls
24mm x 30 m x 6 rolls, 18mm x 30 m x 8 rolls
24mm x 40 m x 6 rolls, 18mm x 40 m x 8 rolls,

Marinekoat
Benefits:

- Best product to protect furniture from water seepage
- Apply 2 coats of Marinekoat for protection
- Saves time, labor and cost

500 ml, 1 Ltr.

Dr. Fixit Pidiproof LW+
Benefits:

- Reduces dampness.
- Resists corrosion of steel.
- Improves Mortar Strength.
- Increases Workability.
- Used in Plastering, masonry work.

200 ml, 1 ltr, 5 ltr, 10 ltr, 20 ltr, 50 ltr, 100 ltr

Dr. Fixit Pidiproof LW+ Super
Benefits:

- Works with M sand and crushed sand.
- Up to 50% less rebound loss and 30% less water usage.
- Best in class concrete workability and crack mitigation.

1 ltr, 5 ltr, 10 ltr, 20 ltr, 50 ltr, 100 ltr

Dr. Fixit Pidicrete URP
Benefits:

- Highly versatile in its use.
- Easy to use, multipurpose and economical.
- Prevents cracking of cement by reducing shrinkage.
- Forms a 300 micron film.

200 g, 500 g, 1 kg, 5 kg, 20 kg, 50 kg, 225 kg

Dr. Fixit Bitufix
Benefits:

- Resists the attack of salts like chlorides and sulphates that are present in the soil.
- Easy to apply.
- Cold applied.
- Adheres to concrete.
- Can be applied in closed or confined spaces.
- Water-based.

5 kg, 20 kg

Dr. Fixit Pidifin 2K
Benefits:

- Flexible acrylic cementitious coating that accommodate cracks up to 1 mm with an elasticity up to 80%.
- Excellent resistance to ingress of water.
- CFTRI certified – can be used for potable water.
- Coverage 6-7 sq.ft in 2coats per Kg.
- Acrylic cementitious two component waterproof coating.

3 kg, 15 kg, 30 kg, 90 kg

Fastflex
Benefits:

- Seamless, impervious membrane.
- Elastomeric.
- Can be used in swimming pools DFT - 1.2 - 1.5 mm.
- Low VOC.
- For swimming pools.
- Acrylic cementitious two component waterproof coating.

12 kg (7 kg powder + 5 kg polymer), 48 kg

Dr. Fixit Primeseal
Benefits:

- Used as a primer on internal and external surfaces.
- Provides excellent efflorescence resistance due to its chemical inertness.
- Good binding of chalky or porous substrates and over coating.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Raincoat
Benefits:

- Acrylic Elastomeric Coating for Exterior use.
- Provides excellent sheen and finish to any building structure.
- UV resistant 120 microns film thickness.
- Covers hairline cracks up to 1 mm.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Raincoat Neo
Benefits:

- Waterproofing.
- UV protection.
- Anti-algal resistance.
- Crack bridging.
- Colour Variants.
- Long-term protection.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Raincoat WPC
Benefits:

- Excellent hiding and colour retention.
- Protects your external walls.
- Accommodates surface elongation and contraction.
- Does not let ugly cracks show up.
- 5 years* waterproofing warranty.
- UV resistant 110 microns film thickness.
- Covers hairline cracks up to 2 mm.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Raincoat Classic
Benefits:

- Acrylic Elastomeric Coating for Exterior use.
- Provides excellent sheen and finish to any building structure.
- UV resistant 180 microns film thickness.
- Covers hairline cracks up to 2 mm.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Raincoat Select
Benefits:

- Excellent hiding and colour retention.
- Protect your external walls.
- Excellent protection from cracking, peeling and blistering.
- Elastomeric coating.
- 10 years* waterproofing warranty.
- High sheen for enhanced aesthetics.
- UV resistant 200 microns film thickness.
- Covers hairline cracks up to 2 mm.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Sureseal
Benefits:

- A Waterproofing All-Rounder, which is a quick repair solution for Damp mild and moderate surface of internal walls, exterior walls, screed, roof, parapets and chajjas.
- Prevents and Stops Dampness.
- Repairs Peeling and Fungus.
- Coverage 20-25 sq ft for 2 coats.

1 kg, 5 kg, 20 kg

Dr. Fixit Roofseal Classic
Benefits:

- Waterproofing.
- Good adhesion.
- Crack bridging.
- Tough and abrasion resistant.
- 7 years Waterproofing warranty.
- Solar Reflectance Index.
- 10-degree temperature reduction.
- Eco friendly - Low VOC.

1 ltr, 4 ltr, 10 ltr, 20 ltr

Dr. Fixit Roofseal Select
Benefits:

- High Build system.
- Crack Bridging.
- Weather resistance.
- Reflective roof coating.
- No breaking of roofs.
- 3 coats Waterproofing system with 1 mm film thickness.
- 10 years Waterproofing warranty.

4 ltr, 20 ltr

Dr. Fixit Roofseal Ultra
Benefits:

- UV resistant and Foot trafficable.
- Long life- excellent weathering resistance.
- Reflective roof coating - Reduces surface temperature up to 10°C** in the peak summer.
- 3 coats Waterproofing system with 1 mm film thickness.
- 12 years Waterproofing warranty.

20 ltr

Dr. Fixit Crack-X Paste
Benefits:

- Easy to apply by putty knife similar.
- to conventional putties.
- Flexible and UV resistant.
- Excellent adhesion with cementitious surface.
- Fills cracks upto 5 mm.

500 g, 1 kg, 5 kg

Dr. Fixit Crack-X Shrinkfree
Benefits:

- Non-shrink even after curing.
- Fills cracks upto 10 mm One time application only.
- One pack, very soft paste, easily applicable by fingers or putty knife.

350 ml, 750 ml

Dr. Fixit Crack-X Powder
Benefits:

- Strong adhesion to common building substrates.
- Does not contain solvent thus no emission of vapours.
- Acts as a surface leveler before painting.
- Cracks upto 3-5 mm need to be mixed with water.

500 g, 1 kg, 25 kg

Roff New Construction Tile Adhesive (NCA)
Benefits:

- Ready to use, needs no curing.
- Water resistant suitable for wet areas.
- Saves time & increases productivity.
- Excellent adhesion & low shrinkage.
- Self-curing properties.
- Slip-resistant.

20 kg, 30 kg

Roff Extrofix Ultra Adhesive
Benefits:

- A polymer enriched cementitious flexible tile adhesive.
- Specially designed for external cladding.
- Dual purpose - for wall & floor application and Internal and external application.
- Prolonged workability & Slip-resistant.
- High adhesive bond strength & bond with various cement-based substrates.

GREY - 20 kg WHITE - 20 kg

Roff Non-Skid Adhesive (NSA)
Benefits:

- Ready to use, needs only mixing with water.
- Tile-on-tile application.
- High bond strength.
- Better workability.

GREY - 5 kg, 20 kg, 30 kg
WHITE - 20 kg, 50 kg

Roff Tile Bonder
Benefits:

- Additive for sand & cement, on site mix for improving the strength & workability of cement.
- Easy to use & no special tools required.
- Increases pot life, open time & adjustability.
- Improves adhesion & bond strength.
- Economical solution for tile fixing.
- Dosage=300 g for 50 kg of cement bag

WHITE POWDER - 300 g

Roff Vitrofix Adhesive
Benefits:

- Ready to use, needs only mixing with water.
- Better workability.
- High grab and non slip adhesive.
- Low Voc, High Bond strength
- Excellent bond strength.

GREY - 20 kg
WHITE - 20kg

Roff Cera Clean
Benefits:

- High quality rapid action cleaner and degreasing solution.
- For use on mosaic, ceramic, vitrified tiles, bath tubs, wash basin. and concrete etc.
- Removes stains, Dose not effect glaze of tiles
- Prolonged tile life.

500 ml, 1 Ltr

Roff Vitrofix Ultra Adhesive
Benefits:

- Ready to use & needs only mixing with water.
- Superior bond strength.
- Superior grab.
- Extended open time.

GREY - 20 kg
WHITE - 20kg

Roff Rainbow Tile Mate
Benefits:

- High compressive, tensile and flexural strength.
- Water-resistant property.
- Gives hard wearing, non dusting tile joints.
- Does not allow moisture and water to seep into back of the tile causing dislocation.

500 g, 1 kg, 10 kg

Roff Extrofix Adhesive
Benefits:

- Ready to use and needs only mixing with water.
- Extended open time.
- High grab and non slip-resistant.
- Excellent bond strength.

GREY - 20 kg
WHITE - 20 kg

Roff Rainbow Tile Mate Wide Additive

Benefits:

- Excellent resistance.
- No water curing required.
- Flexible joint filling.

200 ml

Roff Rainbow Tile Mate Epoxy (Base + Hardener) & Filler

Benefits:

- Provides excellent chemical resistant property.
- Provides hygienic, hard wearing and impervious properties.
- Non-toxic and restricts entry of bacteria/ dirt.
- High degree of resistance to abrasion and impact.

1 kg pack, 5 kg pack, 20 kg

Roff Masterfix Adhesive

Benefits:

- Multi-purpose, two component thin set adhesive, for fixing on interior and exterior floor and wall.
- It can fix all types of tiles and stones on various substrates including metals, drywalls, glass & plywood.

4 kg

Roff Vertifix

Benefits:

- Two component, high strength epoxy adhesive.
- Easy application.
- Spot bonding in just 15 mins.
- Permanent bond.
- Shock and vibration resistant.

1.5 kg

Roff Starlike

Benefits:

- Easy to use & clean.
- Stain, acid & UV resistant.
- Fills tile joints from 1 to 15 mm.
- Waterproof, Swimming pool
- Easy to use & clean.
- For internal & external use.
- Extra coverage.

1 kg, 5 kg
